This collection of reviewed resources from TeachersFirst is selected to help teachers and students learn about and create comics to add humor or understanding to any curriculum topic. The storytelling potential of comics goes back to cave drawings and can be as simple as a stick figure or as elaborate as a photograph annotated with voice bubbles.

The following profiles are of real life individuals that I've interviewed. I have known many of these folks for more than a decade. Although a couple of these profiles might sound like fantasies, they are all real people and I describe their actual retreat set-ups. I have slightly fictionalized some details, but merely to protect their anonymity.
